WHO WE ARE

The Oxford County Junior Farmers and the Embro Tractor Pull Committee are once again joining to present Embro's third annual Truck and Tractor Pull. This event is held on Saturday August 2nd and is an event co-sanctioned with the South Western Ontario Tractor Puller's and Great Lake Truck and Tractor Puller's Associations. The proceeds of the day's event are donated to support community groups and charities in the area. The presentation of this event, and the funds generated by it are ways in which the Junior Farmers work to fulfill our mandate of community betterment.

FOR THE COMMUNITY BY THE COMMUNITY

The support that makes an event like this run smoothly comes from within our own network of service clubs and community groups. The Sweaburg Lions take care of our Parking Lot, Embro Scouting helps with clean-up, the Embro Fall Fair Board provides volunteers, local 4-H clubs take care of the snacks and cotton candy, while food and beverage is made available by the Junior Farmers. We pride ourselves in running a completely "not for profit event".

HOW YOU CAN BE PART OF IT ALL...

In order to put on the show that draws a crowd, it is necessary to raise prize money in order to bring out the biggest and best competitors. It all begins with your support. We are looking for corporate sponsors that will make the 2008 Truck and Tractor Pull a success. In supporting the event, you are not only supporting the Oxford Junior Farmers, but you are reaching out to the community through us. Under our motto "Self Help and Community Betterment", and mission "to build future rural leaders through self help and community betterment", the Junior Farmers' Association of Ontario provides opportunities for young people, especially those in rural Ontario, to help themselves develop personally and to help improve their community.

JOIN US AND BE HEARD

In 2007, the Tractor Pull saw over 3,000 spectators pass through the gates. We are expecting even more this year, and are once again offering the opportunity for local farmer's to showcase their iron strait from the fields, in the farm stock tractor classes. Local farm equipment dealers have the opportunity to showcase the newest tractors available on the market and gain bragging rights by demonstrating the pulling power of their respected brand in the Dealer Class.

CALL US TODAY! If you are interested in sponsoring, or would like a visit, please contact **Rob McKinlay** at **519-425-1397** or by email at **robert.mckinlay@gmail.com**
